Editor's Note

My thanks to our authors, peer reviewers and our graduate editorial team for their contributions to Volume 13 of the Journal. Volume 13 was put together in 2020, which was a particularly challenging year.

We have a truly excellent selection of articles for this issue, with topics ranging from plea bargaining to laws on bigamous marriages. We hope you find these articles both interesting and helpful.

J. Osei-Tutu, J.D.
