Publisher's Note

We are pleased to announce that *Bijdragen tot de Taal-, Land- en Volkenkunde* (*Journal of the Humanities and Social Sciences of Southeast Asia*) now has online submission only, using Editorial Manager (EM), an online submission and peer review tracking system which is currently used worldwide by over 3000 journals. Editorial Manager allows authors to track the progress of their submission online.

Via the EM website for the Journal at <http://www.editorialmanager.com/BKI>, authors are guided step-by-step through the submission process. The system automatically converts all source files of the article to a single pdf that is then used in the peer-review process. All correspondence between editors, authors and reviewers proceeds via e-mail.

We are confident that this will greatly facilitate the process of submission, peer review and final publication and kindly invite you to register online at <http://www.editorialmanager.com/BKI>.
