The article, “The China Narrative in 21st Century and Its Universalizing Logic: Centered on the Notion of ‘Civilization,’” published on *Frontiers of Literary Studies in China*, Volume 13, Issue 1 (March 2019), has listed Dr. Xiangjing CHEN, the translator’s institutional affiliation originally as “Cornell University,” and is now corrected: Department of Foreign Languages and Literatures, Institute for World Literatures and Cultures, Tsinghua University.
