## Erratum

On the following page is the corrected version of the table originally published on page 19 in Gilles Boileau's article "Deux généalogies politiques Shang: systèmes sacrificiels et tensions mémorielles," *T'oung Pao* 110, issue 1–2 (2024), 1–53 (DOI: [doi.org/10.1163/15685322-11001001](https://doi.org/10.1163/15685322-11001001)). This original table missed a series of ancestors and moreover misplaced some other ancestors.
