In 2019 the euro price for all Brill's Research Perspectives is not increased.

\**Brill Research Perspectives* will publish 1-6 issues annually across multiple subject areas. Each issue consists of one uniquely focused article of 50-100 pages. To facilitate the efforts of researchers and educators alike, each journal issue will also be available as a book in both print and electronic format. Taken together, *Brill Research Perspectives* will constitute a multidisciplinary reference library devoted to key research areas. ### [Brill Online Journal Collections and Brill Online Journal Archives](#)

Institutional customers may also wish to consider subscribing to the *Brill Online Journal Collection* or subject-specific collections. Each collection gives access to all online available content back to the year 2000. If an institution decides not to renew their subscription to the Collection, perpetual access to Collections is maintained for all years paid for.

*The Brill Journal Archives Online* (2019) offer access to over 5,500 volumes of close to 300 scholarly journals. The Journal Archives consist of two parts, the first covering the 19<sup>th</sup> and 20<sup>th</sup> century and the second part the 21<sup>st</sup> century.

For further details on Brill's Journal Archives and Collections, please contact [sales-nl@brill.com](mailto:sales-nl@brill.com) or [sales-us@brill.com](mailto:sales-us@brill.com) (for customers in the Americas).

please also note that:

- Our journals, e-books and e-book collections will become available on [brill.com](http://brill.com), replacing [booksandjournals.brillonline.com](http://booksandjournals.brillonline.com). Brill.com will combine our corporate website, product information, E-Books and E-Journals in one place.
- Over 300 journals are now available online from Brill, 17 of which are full Open Access titles.
- For institutions three subscription options are available: **online only**, **print only** or **combined print plus online**.
- Access to a journal's **complete electronic archive**, going back to **Volume 1, Issue 1** is included in institutional subscriptions.
- An increasing number of Brill titles now offer **Advance** (online) article publication.
- **Individual** subscriptions can be **either** print-only or online-only (except *Logos* and *Oud Holland*, which are combined print plus online). Subscription orders from individuals must be ordered for a private address and must be paid for by an individual and may not be paid for by institutions or by organizations.
- After cancellation, **perpetual access** is guaranteed to purchased online content since 2000.
- Long-term **preservation** of all electronic content is secured by arrangements with the Dutch National Library (NL), and Portico (USA).
- [Brill Open](#) offers authors the option to secure open access for their journal contributions.
- Brill is committed to reflect a journal's **Open Access income** in the development of its subscription price. This price adjustment is determined by the change in the share of paid OA content. Following the year that this share exceeds 10%, measured from the last such price adjustment, this change in pricing will be applied. New journals will be excluded from this policy in the first five years of publication.
- **Permissions** for re-use of article content can be obtained using [RightsLink](#).
- COUNTER-compliant library usage statistics are available.
- Brill is a member of **CrossRef**.
- Brill endorses the **Transfer Code of Practice**.
- Except if otherwise agreed, to all journal orders our Conditions of Sale (see <https://brill.com/page/Ordering-Trade/ordering-from-brill>) are applicable.
