Institutional customers may also wish to consider subscribing to the *Brill Online Journal Collection* or subject-specific collections. Each collection gives access to all online available content back to the year 2000. If an institution decides not to renew their subscription to the Collection, perpetual access to Collections is maintained for all years paid for.

The Brill Journal Archives Online (2019) offer access to over 5,500 volumes of close to 300 scholarly journals. The Journal Archives consist of two parts, the first covering the 19th and 20th century and the second part the 21st century.

- Over 310 journals are now available **online** from Brill, 26 of which are **full Open Access** titles.
