The Yearbook of International Organizations Online provides a comprehensive database of intergovernmental (IGOs) and international non-governmental organizations (INGOs) worldwide. Free from print restrictions, the Yearbook Online covers over 75,000 international organizations – federations, scholarly societies, associations and transnational actors of all types – in all corners of the world, over centuries of history, and is updated on a regular basis by a dedicated editorial team. The flexible interface presents fully searchable content, and provides extensive hyperlinks between organization profiles and websites.

Features and Benefits
- Complete access to the whole database corresponding to the full six-volume set in print through a single interface
- Over 75,000 searchable international organizations including IGOs and INGOs in 300 countries and territories at your users’ disposal
- Direct access to organizations’ websites and contact information
- Graphic presentation of the network of international organizations
- Descriptions include the history, structure, staff, languages, members, etc. of organizations
- Covers organizations’ aims, activities, events and publications
- Provides biographies of key officers of a large portion of the organizations
- Offers statistical information and analyses, geographical and subject indexes
- Updated every 6-8 weeks
- Approximately 1,200 new organizations added each year

The Yearbook of International Organizations is the definitive directory of more than 75,000 governmental and non-governmental nonprofit organizations worldwide, including both active and dormant entities.

Choice
“The greatest significance of the Yearbook and Encyclopedia is the manner in which they enhance the capacity of the researcher to more fully comprehend the complexity of world relations.”
- Mershon Center

Since the Yearbook is edited by the Union of International Associations, it has the stamp of authority.
- Social Science Division Bulletin

“Providing unique access to the world community, the Yearbook is an essential tool for anyone with governmental, diplomatic, commercial, intellectual or social interests in international affairs.”
- ATSAF-Circular

“The Yearbook is more than just a catalogue of international organizations and organizational relationships; it is also a framework for understanding interaction in the world community.”
- IASP Newsletter

“A significant step towards the greater understanding both of the manner in which countries participate in the international community of organizations and of the manner in which these organizations affect the life of each country.”
- Bibliographia IULA

“The Yearbook analyzes international associations, and in many cases offers surprising detail about their origins, objectives, activities and future plans. For any student of the Meetings Industry it is essential reading.”
- EFCT
