Give me your attention again, listen with care!
Princess Zuleikha was the daughter of Taimus.
Her face possessed the radiance of the full moon,
and she resembled a houri of Paradise.

Now this Taimus was monarch in the Magrib,
and his army exceeded a hundred thousand men.
By the favour of Allah he possessed great wealth.
and had become a mighty king.

Though the riches of his kingdom exceeded the rest of the world’s,
yet he still worshipped an idol.
Moreover, he had this daughter whose name was Zuleikha.
You had better get that clear in your heads!

Now this Zuleikha, the daughter of King Taimus,
used to go to sleep on her father’s lap,
and one day as she slumbered she saw in her dream
an image of Joseph, and thought it was Truth.
The Dream of Zuleikha in her Parent’s House.
