AGREEMENTS TO WHICH ITALY IS A PARTY
AND AGREEMENTS AND UNDERSTANDINGS
TO WHICH ITALIAN REGIONS
AND AUTONOMOUS PROVINCES ARE PARTIES

(edited by Marina Mancini)

This section is divided into two sub-sections. Sub-section I refers to agreements concluded by Italy; while sub-section II concerns agreements and understandings to which the Italian Regions and Autonomous Provinces of Trento and Bolzano are parties.

I
AGREEMENTS TO WHICH ITALY IS A PARTY

This sub-section is divided into two parts. Part A) contains a list of agreements signed by Italy and published in the Gazzetta Ufficiale in 2008. Part B) contains a list of agreements signed by Italy and published before 2008 but the entry into force of which was announced in the Gazzetta Ufficiale only in 2008.

In both parts the agreements are listed by subject matter and, within the same subject matter, multilateral agreements are placed before bilateral ones. Multilateral agreements are in chronological order, while bilateral agreements are listed in alphabetical order according to the international subject with which they were signed. In the case of more than one bilateral agreement signed with the same international subject, they are in chronological order.

If an agreement has entered into force, the date of entry into force is indicated. For those agreements requiring a law authorising ratification, the date of entry into force has been deduced – as a rule – from the schedules published periodically by the Ministero degli affari esteri (Ministry of Foreign Affairs) in the Supplemento Ordinario (Suppl.) to the Gazzetta Ufficiale (GU).
