THE CHURCH FATHERS AND RABBINIC MIDRASH:
A SUPPLEMENTARY BIBLIOGRAPHY, 1985–2005

Adam Kamesar
Hebrew Union College

This following bibliography supplements Adam Kamesar, “Church Fathers, Rabbinic Midrash and,” in Jacob Neusner and Alan J. Avery-Peck, eds., Encyclopedia of Midrash: Biblical Interpretation in Formative Judaism (Leiden, 2005), pp. 20–40. The list, which includes works that have primary relevance to the topic of the Church Fathers and Rabbinic midrash, serves as an updated supplement to the bibliography of J.R. Baskin from 1985 (listed below), although it cannot pretend to provide complete coverage since that date. It includes a few works from before 1985 omitted by Baskin.
