VIVARIUM
VIVARIUM

An International Journal for the Philosophy and Intellectual Life of the Middle Ages and Renaissance

Aims and Scope

Vivarium is an international journal dedicated to the history of philosophy and the history of ideas from the early Middle Ages to the early-modern period. It is widely recognized as an unrivalled resource for the history of logic, semantics, epistemology and metaphysics. It publishes philosophical analyses as well as historical studies of ideas, texts and the institutional context of medieval and early-modern thought and learning. It also welcomes editions of texts. It publishes annually a special issue devoted to a particular theme or philosopher.
